Lead in suggestions:

Would you be open to looking at a business opportunity that could bring you some great additional income?

I've got something that might be a fit for you . . .

As you know, I am re-launching my business in 2010 and we have a new tool . . .

I've made a commitment to share this with 100 people in the next 10 days. (Would you be one of the 100 to take a look?)

I've come across something extraordinary. I'd like you to take a look at it. If you see what I see I think we could make a fortune together. . .

If I loan you this pack, would you take a look at it?

How soon could you watch it?

So, if I called you on _____, you will have watched it for sure, right?

What's the best number to call you on? Great, I will call you (day & time) at (phone #)

What are you doing?

I have my own business. How are you?

What kind of business?

I'm part of a Successful Business Team. In fact I just got back from Utah, where my partner was instrumental in the development of a Fantastic Marketing Tool. **(pause)** Would you be WILLING to take a look at it?

What's it about?

You know what I can't do it justice, the "package" will explain it so simply, there's a 16 min, DVD and a CD you can listen to in your car!!!

I only have a Handful, would you be able to look at it in the next day or two?

(Sure)

(Great) If you have any questions, my numbers on the back, and if you get really excited you can call me anytime sooner!!

When would it be convenient to call you after you listen to it??
