I would like to have my Neways account renumbered for the following reason(s):

I understand that by renumbering my Neways Identification Number, my social security number is still required for tax purposes. I further understand that all previous account history will continue to be reflected on the new account, including 1099 data. I authorize Neways to provide me with a new distributor identification number.

Distributor Name (print)	Signature	Date
--------------------------	-----------	------

Co-Applicant Name (print)	Signature	Date
---------------------------	-----------	------

The form must be completed or the request for renumbering will be denied. The signatures of all applicants must be present on the form including those of an authorized representative of a proprietorship, corporation, partnership, etc. Failure to include all signatures on the account will result in the request being denied. Neways will process the account renumber request within 48 hours after the form has been received and a confirmation letter will be mailed to the distributor with the new identification number.

When completed, please fax this form to 800-998-7262
