

I commit to being a fully participating member of
Neways Global Momentum.

I agree to develop a crystal clear image of my life, exactly as I want it to be.

I agree to write a crystal clear goal-card for my vision, and to read it a minimum of three times each day.

I understand, as I use the Neways opportunity to advance me toward, and to achieve my dreams; my efforts are significant in creating and sustaining Neways Global Momentum. I am most proud to be a part of this achievement.
