

Health Commitment Packs (Core 4)

Neways is pleased to announce an exciting new promotion for expanding your business: **Direct Ship Health Commitment Packs**. We designed these packs to help you sign up new Distributors who want to make a monthly commitment to improving their health. By sharing these packs, you can duplicate your business faster and increase your downline retention. Plus, you can get an extra cash bonus!

For your new Distributors who sign up with a Direct Ship Health Commitment Pack, shipping is free on their first product order. When they maintain their Direct Ship Health Commitment Pack order for three consecutive months, the following additional bonuses kick in:

- The new Distributor receives a credit for his or her Distributor kit fee.
- The sponsoring Distributor receives an extra \$25.00 cash bonus, in addition to the normal Multiplex "Quick Check" commission.
- *Note: To receive program incentives, the sponsor must be signed up to receive a Direct Ship Health Commitment Pack.*

Added Bonus: Earn Your Convention Registration & Hotel

From May 1-August 31, 2005, you can earn registration and hotel accommodations at the North America convention in Orlando this October by enrolling new Distributors with a Direct Ship Health Commitment Pack (DSHC):

- Personally enroll 8 on DSHC, and Neways pays half of your convention registration fee.
